CHOWAN COUNTY WATER DEPARTMENT FINANCING AGREEMENT

The undersigned acknowledges that the Chowan County Water Department has agreed to finance the tap-on fee and water development fee required for installation of a tap and water meter at the property located at

_____ in Chowan County. The undersigned further acknowledges that the total amount of the tap-on fee (\$1,000.00) and the water development fee (\$2,500.00) is a debt now owed to Chowan County by the undersigned. Financing of the debt has been approved by Chowan County at \$500.00 down and \$125.00 per month each month for 24 months. The monthly amount owed will be included on the monthly water bill sent for the above property address and is due and payable with the monthly water bill.

The undersigned further acknowledges that:

- (1) The Chowan County Water Department may discontinue water service at any time a monthly bill, including any amount due under the financing arrangement, is not timely paid; and
- (2) The remaining amount of tap-on and water development fees financed must be paid in full by the undersigned before any change or discontinuance of service request will be considered.
(A change or discontinuance of service request would typically be made when the above described property is conveyed by sale.)

Acknowledged:
